1G DIMMER / CROSS / STANDARD / COMPLETE /

ACTION: ROTARY DIMMER

KNURL: CROSS

RANGE: DIMMER SWITCHES

A solid metal dimmer switch paired with our Standard Dimmer Module, designed specifically for incandescent and halogen lighting circuits. The switch features our signature diamond-cut knurled dimmer arm for a satisfying push-on, rotary-dimming action. It's finished with a sleek flat plate and our signature solid metal coin screws, and is available in five distinct finishes. You can also team it with our toggle switches, duplex outlets and USB outlets in matching finishes for a fully cohesive look.
