BLANK PLATE

ACTION: ELECTRICITY WALL PLATE

RANGE: WALL PLATES

A blank wall plate made from solid metal and available in a range of Buster + Punch finishes. Combine with a B+P detail kit in the variation and finish of your choice for an elevated way to conceal an electrical connection point that matches your other Buster + Punch switches and GPOs.

84mm fixing centres. Can be used in horizontal or vertical orientation.

See tech spec for more information and, if in doubt, always consult a licensed electrician.
