AX COMPACT ENCLOSURE WHD: 500X500X300 MM

Cat Number: 1350000

The compact enclosure AX with integral enclosure locators in the roof, base and side forms the familiar 25 mm system pitch pattern from the VX25 large enclosure. With this unique, patented system, AX compact enclosures are prepared for all types of configurations and refits. System components and accessories are easily, quickly and securely installed and retrofitted on rails, with no drilling required.

AX Compact enclosure, WHD: 500x500x300 mm, sheet steel, with mounting plate, single-door, with two cam locks

Technical Specifications:

Article number: | AX 1350.000

Benefits | More interior installation options thanks to integral enclosure locators on a 25 mm system pitch pattern combined with the interior installation rail and our diverse range of system accessories
