

1.85mm Female to GPPO(Mini-SMP) Male Straight Precision Adapter | DC-67GHz
P/N: 1.85/GPPO-KJ

Dimensions are in mm

Table with 3 columns: Product Configuration, Connector 1, and Connector 2. Rows include Connector Series, Connector Polarity, Connector Gender, Connector Impedance, Connector Body Material, Connector Body Plating, and Body Style.

Table with 2 columns: Electrical Specifications and values. Rows include Frequency (DC - 67GHz), VSWR / Return Loss (1.3), and Insertion Loss (≤ 0.08 x Sqrt.(f_GHz)).

Table with 2 columns: Mechanical Data and values. Row includes Min. Mating Cycles (≥500).

Table with 2 columns: Enviromental Specifications and values. Rows include RoHS Compliant (Yes) and Operating Temperature Range (-55 °C to +165 °C).
