

KATHERINE CENTERPIECE

ATC10

Ivory

H: 3 IN

W: 16.5 IN

D: 11.5 IN

We studded the surface of the bowl-shaped centerpiece with accents of antique brass steel. Cast of ivory ricestone composite, Katherine possesses a playful appeal informed by the graphic mod movement of the 1960s. The brass "dots" also serve as feet to elevate the centerpiece off the tabletop. Finish will vary.

CONTRACT: Suitable As Is
