DFS03
Natural Rattan
H: 24 IN
W: 36.5 IN
D: 31 IN

Intricate botanical growth patterns are captured in the hand-woven leaves of a natural rattan fixture. Each is woven separately, assuring the layered design is as impactful from the sides as it is from its center adorned with a rattan orb. Suspended from an antique brass iron canopy, this style was designed to project light to every corner of the room. Finish will vary.
