JACQUELINE CHANDELIER

DMC33
H: 27 IN, Dia: 32.00 IN
Antique Brass, Amber Seedy Glass

Round amber seedy glass drops are suspended in a cascading wind chime-inspired silhouette from an armature of antique brass-plated steel. Inspired by a handbag, each glass shape is supported by a delicate, yet sturdy chain threaded through its "handle," allowing the drops to refract the light for a dazzling effect. Certified for damp locations and intended for interior use. Finish will vary.
