Antique Brass, Clear Seedy Slump
Glass

Clear seedy slump glass panels are fastened to an antique brass-plated iron frame, creating a drum-shaped shade. This glimmering style is refreshed with a neutral tone, as the soft sheen from the light further enhances the moody quality and spotlights its radial composition. The antique brass chattered iron detail and undulating shape of the panels work in tandem, delivering visual texture. Damp-rated, although limited covered outdoor conditions may affect finish. Finish will vary.
