DMS22
Mother of Pearl, Ivory
Coconut Shell
H: 28 IN
Dia: 30.00 IN

Like a fringed skirt, strands of natural mother-of-pearl shell, white wooden beads and ivory coconut shell give the feeling of movement to our scalloped fixture. Suspended on an umbrella framework, this exotic style's mix of materials assures an added glimmer when illuminated. Hung from chains of antique brass-plated iron, it can also be displayed as a semi-flush fixture. Finish will vary.
