DPC18
Antique Brass, Seedy
Smoke Glass
H: 19 IN
Dia: 12.00 IN

A globe of smoke seedy glass is an updated twist on neo-classical design. Clapsed in a framework of antique brass-plated steel, the globe surrounds a floating circle of chattered antique brass that seemingly floats within its waterline design. Subtle bubbles add texture to the finish, and a tiered brass accent adorns the center. Finish will vary. Certified for damp locations and intended for interior use.
