Buff Dutch Weave

We elevated the traditional sunbed in a textural mix of materials, with added arms for a refreshed silhouette. A sturdy frame of powder-coated aluminum with a blackened bronze finish supports a tightly woven seat and back of weather-resistant buff synthetic rope in a Dutch weave. Wrapped details and cuffing at the legs add both durability and coastal charm. Two wheels hidden in the back of the frame make for easy moving. An adjustable backrest is featured for comfortable seating.
