KASH FLOOR LAMP

PFI19-754 Antiqued Aluminum H: 62.5 IN Dia: 22.00 IN

Carved details along the Kash's curvaceous base give this antiqued aluminum floor lamp an embodied energy. Reaching upward from the rounded base, this sculptural style was designed to provide maximum illumination throughout the room. It is accented with a classic white linen drum shade lined in white cotton, polished nickel hardware, and matching antiqued aluminum finial. Finish will vary. CONTRACT: Suitable As Is
