

## Description

Proval WP Solvent Resistant Wipes Box is a packet dispenser wipes product designed for effective surface preparation and cleaning. It is constructed from polyester and wood pulp, ensuring it is chemical free, low lint, and highly absorbent. The product offers ease of use in applications such as medical, pharmaceutical, laboratory, clean room environments, chemical clean-up, aerospace, transportation, car industry, electronics, spray painting, food processing, and food manufacturing.

## Features

- White polyester and wood pulp blend construction
- Disposable wipes designed for packet dispenser use
- Solvent resistant formulation for chemical clean-up tasks
- Low lint design minimises unwanted residues
- Highly absorbent material enhances liquid containment
- Chemical free composition supports safe cleaning
- Engineered for efficient packet dispensing and one-handed operation
- Versatile design supports diverse cleaning tasks

## Construction

Product Material 1	Polyester
Product Material 2	Wood Pulp

## Dimensions

Product Length (mm)	300
Product Width (mm)	350
Material Thickness (mm)	0.9

## Weights

Product Weight (grams)	480
------------------------	-----

**Product Code: 40510**

## Specifications

Disposable	Yes
Dust/Dirt Resistant	No
Solvent Resistant	Yes
Abrasive	No
Chemical Free	Yes
Low Lint	Yes
Dispenser Type	Piece

## Standards

Manufactured to ISO9001 Management Systems	Yes
Food Safe (HACCP Certified)	No

## Appearance

Product Colour	White
