

Description

Proval Securitex PF Latex Examination Glove is an examination grade glove manufactured from natural rubber latex with touchscreen compatibility and a focus on chemical, liquid and detergent resistance. It is designed for use in medical applications including hospitals, diagnostics, laboratories, dental practices and pharmaceutical settings. The glove offers practical benefits in ensuring secure handling and reliable performance for professionals whose work demands precision and consistency.

Features

- Crafted from natural rubber latex for reliable tactile performance
- Touchscreen friendly design supporting precise interactive functions
- Natural colour providing a clear and consistent appearance
- Resistant to chemicals and detergents for safe handling
- Free from vinyl BPA and powder for enhanced purity
- Offers liquid resistance for reliable protection during fluid handling
- Medical grade quality ensuring performance in examination settings
- Designed for precision while maintaining comfort and durability

Product Code: 41004
