

Description

Proval Stretch PF Vinyl Examination Glove is an examination grade glove crafted from vinyl that provides essential protection in medical, diagnostic, pharmaceutical and laboratory settings. It offers touchscreen functionality and resists chemicals, liquids, detergents and oils, ensuring practical reliability for routine tasks. Its anti-microbial protection and BPA free, powder free, latex free and silicone free formulation deliver a dependable solution that benefits trade professionals seeking consistency and functional safety without excessive embellishment.

Features

- Touchscreen friendly vinyl gloves improve interaction with digital equipment
- Yellow cream finish supports quick recognition in busy tasks
- Vinyl material offers robust liquid, detergent and oil resistance
- BPA, powder, latex and silicone free composition minimises sensitivities
- Anti-microbial protection supports a safer hygiene protocol
- Examination grade quality suits precise medical and laboratory use
- Comfortable vinyl fit promotes extended wear during examinations
- Cost-effective design supports routine use without frequent replacement

Product Code: 41025
