

Description

Proval Stretch Blues PF Vinyl Examination Glove is a blue vinyl examination grade glove designed for medical, diagnostic, pharmaceutical and laboratory applications. It offers reliable chemical, liquid, detergent and oil/grease resistance for professionals requiring secure handling of materials during examinations and procedures. The glove's touchscreen friendly design supports practical use in clinical and trade settings, while its powder free, latex free and silicone free composition provides a consistent protective barrier for daily operational use.

Features

- Blue vinyl material with robust chemical resistance
- Touchscreen compatible for operational efficiency
- Powder free design ensures cleaner examination procedures
- Liquid and oil resistant for practical handling
- Detergent resistant for improved glove durability during cleaning
- Vinyl composition offers flexibility for sensitive examination tasks
- Designed for clinical use with secure, comfortable fit
- Medical grade for reliable performance in demanding applications

Product Code: 41037

Standards
