

Description

Proval Polyethylene Embossed Disposable Glove is designed for applications including food processing, food service, and cleaning while supporting the operational needs of trade professionals. The gloves feature an embossed external surface that enhances grip, and they are touchscreen friendly for convenient handling. Constructed from low density polyethylene film with a blue finish, they offer a practical and safe solution with positive attributes such as being vinyl, BPA, powder, latex and silicone free.

Features

- Constructed from low density polyethylene film for dependable use
- Blue colour aids easy visual identification in busy settings
- Touchscreen friendly for efficient mobile device interaction
- Free from vinyl, BPA, powder, latex and silicone components
- Embossed external surface enhances grip control during handling
- Disposable design promotes hygienic and single-use safety procedures
- Ideal for food processing, service, cleaning and hospitality
- Engineered to deliver dexterity and reliable performance in tasks

Product Code: 41053#
