

Description

Proval Nitrile Blax PF Disposable Glove is designed with practical features such as touchscreen compatibility and an externally textured surface that enhances grip and precision. This disposable glove, constructed from resilient nitrile, offers chemical, oil, detergent and liquid resistance for cleaning, maintenance and similar applications. Its BPA-free, powder-free and latex-free composition ensures optimal performance for trade professionals across sectors such as car workshops, hair and beauty and window cleaning.

Features

- Disposable nitrile gloves with responsive touchscreen compatibility
- Black finish provides enhanced visual contrast during tasks
- Made without vinyl, BPA, powder or latex contaminants
- Textured external surface improves grip and precision handling
- Resistant to chemicals, liquids, detergents and oil grease
- Engineered for practical performance during cleaning and maintenance
- Robust nitrile construction ensures reliable tactile feedback
- Ideal for diverse applications including workshops and window cleaning

Product Code: 41079
