

Description

Proval Nite Long Nitrile Examination Glove is a precision-engineered glove designed for use in medical, diagnostic, laboratory and dental settings. Made from nitrile, it provides effective resistance against chemicals, liquids, detergent and oil or grease. The textured external surface improves grip and the touchscreen friendly design supports seamless interaction with devices. This product offers consistent performance and technical efficiency, meeting the practical needs of trade professionals while maintaining reliability in critical applications.

Features

- Blue nitrile examination gloves with reliable touchscreen compatibility
- Glove surface texturing delivers enhanced grip during precision tasks
- Chemical, liquid, detergent and oil resistant for improved durability
- Formulated free from vinyl, BPA, powder, latex and silicone
- Examination grade quality ensures high safety and precision
- Blue colour supports clear product identification in all settings
- Nitrile composition offers durability and performance in medical tasks
- Designed for high tactile sensitivity with precise handling

Product Code: 41093

Standards
