

Description

Proval Process Blues Lined Rubber Glove is a blue natural rubber glove produced by PROVAL for applications in kitchens, food processing, hospitality, laboratories, and other professional settings. It features external surface texturing and provides high resistance to abrasion, tears, chemicals, liquids, and detergents. The glove is washable and offers anti-microbial protection, making it a dependable choice for trade professionals who value practicality, durability, and ease of maintenance in their operational tasks.

Features

- Natural rubber construction for durability and comfortable grip
- Washable design for reliable reusability and cost efficiency
- Chemical resistant material for handling process liquids
- Abrasion resistant design minimises wear in intensive applications
- Tear resistant material ensures robust performance in demanding conditions
- Liquid and detergent resistant for safe substance handling
- Anti-microbial protection enhances hygienic use and contamination control
- External texturing improves grip performance during processing tasks

Product Code: 41213

Standards
