

## Description

Proval Nitrile 46s Elbow Length Heavy Duty Green Glove. The glove is manufactured from durable nitrile material offering chemical, puncture, blade cut and abrasion resistance. Its textured external surface provides enhanced grip in applications such as agrochemical processing, oil refinery, food manufacturing and printing industries. It is designed to endure exposure to liquids and detergents. The glove is washable and free from vinyl, BPA, latex and silicone, delivering reliable performance for trade professionals.

## Features

- Nitrile material offers chemical, liquid and detergent resistance
- Surface texturing enhances grip during handling tasks
- Abrasion resistance contributes to glove durability in challenging conditions
- Puncture and blade cut protection increase user safety
- Oil and grease resistance maintains performance in mechanical tasks
- Detergent resistant surface facilitates thorough cleaning routines
- Washable design supports repeated industrial use
- Antimicrobial protection adds safety to demanding applications

**Product Code: 41263**

### Standards

Food Safe (HACCP Certified)	Yes
Medical Grade	No

### Specifications

Heat Resistant	No
Sterile	No
Touchscreen Friendly	No
Vinyl Free	Yes
BPA Free	Yes
Powder Free	Yes
Latex Free	Yes
Silicone Free	Yes
Washable	Yes
External Glove Surface Texturing	Yes
Abrasion Resistant	Yes

### Specifications

Puncture Resistant	Yes
Blade Cut Resistant	Yes
Liquid Resistant	Yes
Detergent Resistant	Yes
Oil/Grease Resistant	Yes

### Appearance

Product Colour	Green
----------------	-------

### Construction

Product Material 1	Nitrile
--------------------	---------

### Dimensions

Palm Thickness (mm)	0.55
Palm Circumference (mm)	218
Cuff Circumference (mm)	398
Wrist Circumference (mm)	220

### Weights

Product Weight (grams)	157
