

## Description

Proval Poly D Poly Cotton PVC Dots Glove is a hand protection tool designed for professionals engaging in processing lines, warehouse tasks, construction, manufacturing, packaging and material handling. It is constructed from poly cotton knit enhanced with PVC dots, providing a secure grip and tactile precision. The glove is washable, vinyl free, BPA free and latex free, ensuring a hygienic and reliable option that supports effective handling in various trade and professional settings.

## Features

- Poly cotton knit fabric featuring PVC dots for enhanced grip
- Washable design supports long-term maintenance and cleanliness
- Vinyl free, BPA free and latex free for safe handling
- Natural white, white and purple colour scheme ensures consistent appearance
- External surface texturing improves tactile sensitivity and grip
- Soft cotton blend provides comfort and flexibility during handling
- Engineered glove design reduces hand fatigue with extended wear
- Developed to deliver reliable tactile feedback through varied tasks
