

## Description

Proval Trojan Blue PVC Heavy Duty Glove is a robust protective handwear designed to meet the demands of trade professionals across various sectors. It is manufactured from polyvinyl chloride and offers abrasion, tear, puncture, blade cut, and chemical resistance. The external texturing improves grip during tasks involving oil, grease, detergents, and other substances. Washable and vinyl free, these gloves provide practical and durable performance for diverse work applications.

## Features

- Constructed from polyvinyl chloride for robust performance
- Textured external surface provides reliable grip in wet conditions
- Designed with abrasion, tear and puncture resistance for durability
- Chemically resistant surface protects against common solvent exposure
- Liquid, detergent and oil resistant for consistent application
- Manufactured without latex, vinyl, BPA or powder components
- Blue-coloured gloves for easy identification in busy settings
- Washable design supports repeated use and easy maintenance

**Product Code: 41560**
