

Description

Proval Poly D Poly Cotton Grey PVC Dots Glove is constructed from a poly cotton knit fabric enhanced with PVC dots to improve grip and control during routine professional tasks. It is designed for applications such as processing lines, warehouse operations, construction, and packaging where reliable hand performance is essential. The glove is washable and formulated without vinyl or latex, ensuring consistent comfort and durability for users in demanding trade settings.

Features

- Poly cotton knit fabric enhanced with PVC dot texture
- Washable construction supports repeated use and maintenance
- Free from vinyl, BPA and latex components
- Textured external surface improves grip in various applications
- Available in grey, blue and black colour choices
- Optimised design supports practical hand protection and dexterity
- Reliable construction with consistent finish for everyday tasks
- Practical cotton blend offers balanced comfort and control
