

Description

Proval TNGF High Cut Resistant Work Glove is constructed from a combination of nitrile and microfoam that delivers dependable cut resistance and enhanced durability. It provides abrasion, tear, puncture and blade cut protection with external surface texturing for improved grip. Designed for precise tasks in the glass, steel, metal and car industries along with mechanic workshops, electronics, machine tooling and shipping, this glove offers professionals a practical solution for demanding applications.

Features

- Dual-layer nitrile and microfoam for improved cut protection
- External texturing enhances grip during precise operations
- Abrasion and tear resistance suits challenging work conditions
- Engineered for metal, glass and automotive tasks
- Washable design extends glove lifespan with easy maintenance
- Powder free and vinyl free for improved user safety
- Superior puncture and blade protection for reliable performance
- Designed with precision for diverse tasks

Product Code: 41744

Standards

Food Safe (HACCP Certified)	No
Medical Grade	No

Specifications

Heat Resistant	No
Sterile	No
Touchscreen Friendly	No
Vinyl Free	Yes
BPA Free	No
Powder Free	Yes
Latex Free	No
