

Description

Rocket Welders 4 Row Steel/Wood Hand Brush features a durable steel construction with a silver and wood finish designed for effective removal of weld spatter and debris. Developed with precision, it provides a reliable cleaning tool for welders and similar trades, supporting rigorous maintenance tasks in both indoor and outdoor settings. Its four-row steel design ensures consistent performance and offers value through its robust built and practical application in everyday tasks.

Features

- High temperature resistant steel wires for intense heat cleaning
- Silver brush handle with wood ergonomic grip for control
- Sturdy construction ensures longevity in varied welding tasks
- Balanced design offers improved precision during metal cleaning
- Polished silver finish enhances visibility in low light conditions
- Engineered for both outdoor and indoor welding workspaces
- Precise steel bristles remove residual material from welds
- Durable hand brush engineered for daily welding maintenance tasks

Product Code: 4RWHB

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Wire Style	Straight Wire Filament

Appearance

Product Colour: Silver/Wood

Construction

Brush Material: Steel
