

Description

Rocket Welders 4 Row Stainless Steel/Wood Hand Brush is engineered for effective cleaning during welding tasks in both indoor and outdoor settings. Constructed with durable stainless steel wire and a wood handle finished in silver, it offers reliable performance for precision work. Its four-row design promotes uniform cleaning and dependable results, making it a valuable tool for trade professionals focused on maintaining quality workmanship in metal fabrication and repair processes.

Features

- Four-row stainless steel wire design for reliable cleaning
- Stainless steel bristles resist wear with robust performance
- Silver and wood finish promotes ease of identification and handling
- Designed for indoor and outdoor applications
- High heat tolerance preserves brush structure during welding
- Wood handle enhances grip comfort and control
- Lightweight build supports quick switching between tasks
- Enhances corrosion resistance with premium stainless steel components

Product Code: 4RWHBSS

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Wire Style	Straight Wire Filament

Appearance

Product Colour: Silver/Wood

Construction

Brush Material: Stainless Steel
