

Description

Proval CPE Boot Cover is a disposable protective cover made from chlorinated polyethylene in white. It features an elasticated top with ankle ties for a secure fit and is waterproof, water resistant, food safe, lint free and dust resistant. Designed for practical applications such as medical, laboratory, clean room, pharmaceutical, dental and forensic environments, it provides reliable floor, carpet and tile protection to support professionals managing hygiene and safety standards.

Features

- Constructed from durable chlorinated polyethylene for superior protection
- Designed for food safe and clean room usage
- Waterproof design prevents moisture from compromising integrity
- Disposable boot covers for enhanced hygiene and safety
- Elasticated top design and secure ankle ties for reliable fit
- Resistant to lint, dust and dirt for cleaner surfaces
- Designed for indoor and outdoor use with consistent performance
- Provides reliable protection for floors, carpets and tiles
