

## Description

SIT Brass Crimped Welders Brush Steel is a crimped welders brush in a brass and red design with steel bristles that offer reliable cleaning and finishing performance.

Developed for technical cleaning, its crimped wire construction supports durability and even application for welding tasks, making it a practical tool for trade professionals.

Suitable for both indoor and outdoor operations, it delivers consistent performance for precise job execution.

## Features

- High-quality steel material for extended brush life
- Brass and red finish for clear visual identification
- Crimped wire design improves heat distribution
- Suitable for both indoor and outdoor welding tasks
- Engineered for precision in welding maintenance
- Durable construction withstands high temperature exposure
- Advanced crimping ensures reliable brush operation
- Engineered for ease of cleaning and maintenance

**Product Code: 618**

## Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Wire Style	Crimped Wire

## Appearance

Product Colour Brass/Red

## Construction

Brush Material Steel
