

Rope Ratchet 3mm Tie Down Rope Diameter 30kg

Description

Rope Ratchet 3mm Tie Down Rope Diameter 30kg is designed for professionals requiring reliable restraints in load management. This rope ratchet strap, constructed from durable nylon plastic and polypropylene, features distinct black, silver, and yellow accents that enhance visual identification. Its ratcheting mechanism permits precise tension adjustments and consistent performance in both indoor and outdoor settings. The product supports practical applications in transport and trade, enabling secure load fastening with user confidence.

Features

- Constructed from durable nylon plastic and polypropylene materials
- 3mm tie down rope rated for 30kg load capacity
- Available in practical black silver yellow finish
- Suitable for outdoor and indoor tie down applications
- Features reliable rope ratchet mechanism for secure tension
- Robust design enhances load retention and operational stability
- Engineered for quick setup and accurate tension adjustment
- Maintains steady performance under varied operational conditions

Product Code: A1001
