

SIT Steel Crimped Conical Brush 95mm x M14

Description

SIT Steel Crimped Conical Brush 95mm x M14 is designed for efficient surface cleaning and finishing tasks in various trade settings. Manufactured with steel and crimped wire, it supports high-speed operation up to 14000 rpm and is suitable for both indoor and outdoor use. The combination of silver and red colouring ensures clear component identification, while the product's robust design offers consistency and practical benefits for material removal and maintenance applications.

Features

- Constructed with durable steel for robust cleaning
- Crimped wire design for efficient debris removal
- Operates at up to 14000 RPM for demanding tasks
- Silver and red accents enhance operational visibility
- Engineered for indoor and outdoor cleaning versatility
- Precision engineered brush design for consistent surface contact
- Features robust crimped wire for reliable debris clearance
- 95mm brush size with M14 fitting ensures precision application

Product Code: BC090.03
