

Description

SIT Stainless Steel Crimped Conical Brush 95mm x M14 is a precision tool designed for efficient surface cleaning and blending tasks. The brush incorporates a crimped stainless steel wire structure that withstands high speeds up to 14000 RPM, making it suitable for detailed maintenance and refurbishment work. Its silver and green finish enhances visibility during use, while its design offers reliable performance, providing value through consistent quality and technical durability for trade professionals.

Features

- Precision engineered stainless steel bristles
- High-speed performance up to 14000 RPM
- Suitable for indoor and outdoor applications
- Crimped wire design ensures superior bristle retention
- Silver and green finish improves product visibility
- Standardised dimensions for reliable tool integration
- Robust build withstands high rotational speeds
- Engineered for reliable cleaning and surface preparation

Product Code: BC090.03SS

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Max RPM	14000
Wire Style	Crimped Wire

Appearance

Product Colour	Silver/Green
