

Description

Proval Single Loop Beard Cover Blue is a disposable, single loop beard cover engineered for professionals in food processing, medical, emergency services and beauty therapies. It features a breathable, lint free and dust resistant design to maintain hygiene in settings where beard coverage is essential. The secure single loop mechanism facilitates practical daily beard management, offering consistency and durability for trade professionals during routine use.

Features

- Disposable, lint free cover in blue for beard protection
- Single loop design provides secure, comfortable positioning
- Breathable fabric maintains comfort during extended use
- Food safe material offers hygienic protection during processing
- Durable construction resists dust and dirt accumulation
- Easy to use disposable cover enables effective beard management
- Lightweight design minimises discomfort during prolonged wear
- Reliable PROVAL quality ensures consistent beard covering performance
