

Description

Proval Double Loop Beard Cover Blue is a disposable beard cover featuring a double loop design that ensures a secure, easy fit. It is breathable, lint free and dust/dirt resistant, with a blue colour suited for applications in food manufacturing, medical settings, hair care and beauty therapy, food processing and emergency services. The cover's design provides a practical barrier for beard management and minimises the risk of contamination in regulated environments.

Features

- Double loop design secures beard cover
- Breathable fabric improves user comfort
- Food safe and clean room compatible
- Disposable, lint free and dust resistant material
- Blue colour aids simple product identification
- Constructed with PROVAL quality components
- Secure closure ensures adjustable, comfortable wear
- Efficient barrier protects hair and beard during use
