

Rope Ratchet 10mm Tie Down Rope Diameter 110kg

Description

Rope Ratchet 10mm Tie Down Rope Diameter 110kg is a rope ratchet strap system built using durable nylon plastic and polypropylene components. It is intended for securely fastening loads during transportation and other applications in trade. The alternating black, silver and blue colours aid visual identification. Its design supports straightforward tension adjustments and dependable restraint, offering a reliable solution for professionals who require consistent, high-performance tie-down capabilities.

Features

- Durable 10mm nylon strap engineered with polypropylene components
- Strong black silver and blue colours for visual identification
- Designed for outdoor and indoor practical reliable performance
- Easy tension control system for secure load management
- Simple design minimises maintenance requirements in demanding applications
- High-quality nylon and polypropylene for proven durability and strength
- Compact design simplifies storage and transportation logistics
- Robust ratchet mechanism provides efficient tensioning and load security

Product Code: C1020

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Appearance	
Product Colour	Black/Silver/Blue
Construction	
Product Material 1	Nylon Plastic
Product Material 2	Polypropylene

Weights

Product Weight (grams)	240
Load Capacity kg	110.0
Lashing Capacity (kg)	114
Break Strength (kg)	340

Dimensions

Product Height (mm)	177
Product Width (mm)	56
Product Length (mm)	35
Strap Width (mm)	9.5
