

Description

Cesco Tin Billy 3L is a tinplate container designed for precise liquid handling in both indoor and outdoor settings. Built with a durable silver finish, it offers a straightforward solution for industrial and trade professionals managing routine storage and dispensing operations. Its robust construction contributes to consistent performance, supporting efficient workflow in workshops, construction sites and other professional environments where reliability and practical application are prioritised.

Features

- Robust tinplate construction for enduring structural performance
- Functional silver finish provides a clean professional appearance
- Suitable for indoor and outdoor use in varied conditions
- 3L capacity offers practical volume management in workflows
- Simple design supports straightforward maintenance and operation
- Engineered for reliability across diverse application scenarios
- High quality tinplate finish withstands environmental exposure
- Constructed with precision to support practical daily tasks

Product Code: CB4

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Pump Mechanism	No
Demountable Sprout	No
Filter	No

Appearance

Product Colour Silver

Construction

Product Material 1 Tinplate

Weights

Product Weight (grams)	415
Product Weight (kg)	0.415
