

Description

Easyroll 3000 x 300mm Steel Straight Conveyor Frame is designed from powder coated steel with a straight frame design that offers reliable performance for trade professionals. It features a configuration with 20 rollers at a 75mm pitch and 10 rollers at a 150mm pitch. Hardware is included, supporting compatibility with designated rollers and stands. The product promotes efficient material handling and precise movement control in various operational settings.

Features

- Powder coated steel construction for long-lasting use
- Industrial grey finish supports a neat workspace appearance
- Hardware included enables immediate mounting and setup
- Compatible with CRA2S300X050 and CRA3P300X050 rollers
- Compatible with CSH0800X300A and CSH1050X300A stands
- Straight frame design supports continuous movement
- Configuration includes 20 rollers at 75mm pitch
- Alternative setup offers 10 rollers at 150mm pitch
