

Description

Easyroll 300mm Polly Conveyor Roller 50kg is a blue polypropylene unit designed for indoor material handling applications and trade use. It offers reliable performance and smooth rotation for efficient product transport. The roller integrates seamlessly with specified stands CSH0800X300A and CSH1050X300A as well as frames CFA1500X300A and CFA3000X300A. Its straightforward construction with a straight frame compatibility ensures consistent operation and ease of maintenance for professionals.

Features

- Constructed from durable polypropylene for long-lasting performance
- Blue finish increases equipment identification in installations
- Designed for indoor use ensuring stable roller operation
- Compatible with CSH series stands and CFA series frames
- Easyroll brand quality with 50kg load capacity
- 300mm roller diameter suited for precise material positioning
- Robust design maintains smooth operation under frequent use
- Straight frame compatibility supports stable, predictable conveyance

Product Code: CRA3P300X050

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
Assembly Required	No
Suitable Stand	CSH0800X300A, CSH1050X300A
Suitable Frame	CFA1500X300A, CFA3000X300A
Suits Frame Type	Straight

Appearance

Product Colour: Blue

Construction

Product Material 1: Polypropylene
