

Description

Easyroll 600mm Steel Adjustable Conveyor Stand (505-800mm) is built from powder coated steel in Industrial Grey. It provides a reliable support structure for conveyor rollers with multiple suitable roller and frame options, offering flexibility for production operations. Integrated hardware ensures straightforward assembly and precise alignment, adding value for trade professionals by facilitating an efficient workflow in controlled environments.

Features

- Powder coated steel offers long lasting strength
- Integrated hardware streamlines assembly for immediate installation
- Compatible with CRA2S600X050 and CRA3P600X050 rollers
- Supports multiple frame sizes for versatile operational layouts
- Industrial grey finish maintains consistent appearance indoors
- Dual pitch configurations balance roller spacing for even load distribution
- Adjustable stand design accommodates diverse conveyor system setups
- Engineered for reliable performance and secure structure

Product Code: CSH0800X600A

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Assembly Required	Yes
Suitable Roller	CRA2S600X050 CRA3P600X050
Suitable Frame	CFA1500X600A, CFA3000X600A

Appearance

Product Colour	Industrial Grey
----------------	-----------------

Construction

Product Material 1	Powder Coated Steel
--------------------	---------------------

Weights

Product Weight (grams)	2564
Product Weight (kg)	2.564

Dimensions

Product Height (mm)	505-800
Product Width (mm)	600
