

Description

Easyroll 300mm Steel Adjustable Conveyor Stand (715-1050mm) is designed for trade and industrial professionals seeking dependable, adjustable support for conveyor systems. Constructed from powder coated steel in industrial grey, this stand offers durability and precision engineering. With integrated hardware and compatibility with specified rollers and frames, it delivers stable and versatile performance for indoor applications. The design enables consistent alignment and smooth operation, optimising workflow in various controlled settings.

Features

- Constructed from powder coated steel frame for lasting durability
- Indoor stand built with hardware for straightforward assembly
- Available in industrial grey for a professional appearance
- Compatible with CRA2S300X050 and CRA3P300X050 rollers
- Integrates with CFA1500X300A and CFA3000X300A frames
- 75mm pitch supports 20 rollers for even load distribution
- 150mm pitch offers 10 rollers for controlled material movement
- Adjustable height spans from 715 to 1050mm for flexible setups

Product Code: CSH1050X300A

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Assembly Required	Yes
Suitable Roller	CRA2S300X050 CRA3P300X050
Suitable Frame	CFA1500X300A, CFA3000X300A

Appearance

Product Colour	Industrial Grey
----------------	-----------------

Construction

Product Material 1	Powder Coated Steel
