

Description

Easyroll 450mm Steel Adjustable Conveyor Stand (715-1050mm) is constructed from durable powder coated steel and comes with all necessary hardware for secure installation. It is designed to accommodate designated roller and frame sizes, offering flexibility with 75mm and 150mm pitch configurations. The stand facilitates efficient product transport and process optimisation, providing trade professionals with a reliable solution that simplifies system adjustments and enhances workflow consistency.

Features

- Powder coated steel construction for added durability
- Industrial grey finish offers a professional appearance
- Assembly hardware is provided for straightforward installation
- Accepts roller models CRA2S450X050 and CRA3P450X050
- Compatible with frame types CFA1500X450A and CFA3000X450A
- 75mm pitch configuration holds 20 rollers
- 150mm pitch configuration holds 10 rollers
- Adjustable stand height supports efficient integration into systems

Product Code: CSH1050X450A

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Assembly Required	Yes
Suitable Roller	CRA2S450X050 CRA3P450X050
Suitable Frame	CFA1500X450A, CFA3000X450A

Appearance

Product Colour	Industrial Grey
