

Description

Easyroll 600mm Steel Adjustable Conveyor Stand (715-1050mm) is constructed from powder coated steel in industrial grey and is specifically engineered for precise material handling operations. It incorporates essential hardware and is compatible with designated roller types (CRA2S600X050, CRA3P600X050) and frames (CFA1500X600A, CFA3000X600A). Its adjustable design ensures reliable alignment and consistent performance for trade professionals managing indoor production and packaging processes.

Features

- Manufactured with powder coated steel in industrial grey finish
- Adjustable stand design for versatile layout
- Includes integrated hardware for immediate installation
- Designed for indoor use with supported frame integration
- Compatible with rollers CRA2S600X050 and CRA3P600X050
- Supports frames CFA1500X600A and CFA3000X600A fitting
- Configurable with 20 rollers at 75mm pitch or 10 rollers
- Engineered for precise alignment and reliable roller operation

Product Code: CSH1050X600A

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Assembly Required	Yes
Suitable Roller	CRA2S600X050 CRA3P600X050
Suitable Frame	CFA1500X600A, CFA3000X600A

Appearance

Product Colour	Industrial Grey
----------------	-----------------

Construction

Product Material 1	Powder Coated Steel
