

SIT Brass Condenser Tube Brush 14mm x 5/16"

Description

SIT Brass Condenser Tube Brush 14mm x 5/16" is a precision tool developed by SIT. It features a brass brush on a Barss-style wire, designed to clean condenser tubes effectively. The tool is suitable for both outdoor and indoor use, offering trade professionals a reliable method for maintaining equipment. Its robust design ensures consistent performance during routine maintenance tasks in various professional settings.

Features

- SIT quality brass bristles handle condenser tube cleaning tasks
- Efficient design supports both indoor and outdoor operations
- Silver finish provides consistent visual identification
- Resilient brush built for longevity with minimal wear
- Compact dimensions of 14mm by 5/16 inch suit condenser tubes
- Barss wire style provides firm contact on curved surfaces
- Simple operation suits routine maintenance on condenser tubes
- SIT design prioritises practical performance and reliability
