

# SIT Brass Condenser Tube Brush 19mm x 5/16"

## Description

SIT Brass Condenser Tube Brush 19mm x 5/16" is designed for effective cleaning of condenser tubes in various maintenance applications. The brush features a brass material coupled with barss-style wire for reliable performance and durability. Its silver finish and dual functionality for indoor and outdoor use offer practical benefits to trade professionals, ensuring a consistent and methodical approach to tube maintenance and upkeep without compromising on quality or efficiency.

## Features

- Brass construction enhances durability for condenser tube cleaning
- Designed for indoor and outdoor usage
- Precise dimensions ensure targeted cleaning 19mm by 5/16 inch
- Barss wire style provides uniform contact with tube surface
- Silver finish improves visibility during maintenance processes
- Robust design supports reliable cleaning of condenser tubes
- Enhanced cleaning head design reduces residue accumulation
- SIT manufacturing assures quality and long service life

**Product Code: CTBB19**

## Specifications
