

SIT Steel Condenser Tube Brush 14mm x 5/16"

Description

SIT Steel Condenser Tube Brush 14mm x 5/16 is a durable and efficient cleaning tool designed for maintaining condenser tubes. The silver-coloured brush employs steel wire and robust steel bristles to dislodge deposits from tube surfaces effectively. Its design caters to both outdoor and indoor use, offering consistent performance and reliability for professionals managing HVAC systems and refrigeration units. The technical design ensures longevity, contributing practical operational advantages in maintenance scenarios.

Features

- Engineered with robust steel bristles for effective cleaning
- Crafted in silver for enhanced visibility in work areas
- Suitable for both indoor and outdoor maintenance use
- Engineered to endure repeated cleaning cycles
- Precision brush design maintains condenser integrity
- Sturdy construction supports routine maintenance and reliable performance
- Engineered dimensions ensure compatibility with standard condenser tubes
- Designed for low maintenance operation and extended lifespan

Product Code: CTBS14

Specifications
