

SIT Steel Condenser Tube Brush 16mm x 5/16"

Description

SIT Steel Condenser Tube Brush 16mm x 5/16" is a condenser tube brush constructed with robust steel and finished in a silver colour. It is designed to clean condenser tubes effectively, ensuring consistent performance and optimal maintenance of core equipment. The brush's steel wires are engineered for both outdoor and indoor use, providing a practical solution for trade professionals who require a reliable and technically sound tool for routine upkeep.

Features

- Made with robust steel bristles for long lasting performance
- Silver finish enhances visibility and reduces staining potential
- Suitable for indoor as well as outdoor cleaning applications
- Precision dimensions ensure brush-to-tube contact during cleaning
- Hard-wearing brush material maintains shape over repeated use
- Engineered for uniform tube cleaning with even bristle engagement
- Rugged construction provides longevity in tube maintenance tasks
- Designed for 16mm x 5/16 condenser tubes for secure cleaning

Product Code: CTBS16
