

Description

Proval Armgard PE Water Resistant Sleeve Protectors Blue offers a blue polyethylene sleeve cover designed for use in medical, manufacturing, food processing and other professional settings. These disposable protectors provide waterproof, dust and dirt resistant performance, ensuring clean room compatibility where hygienic conditions are essential. The elastic wrist and arms add security and ease of use, delivering reliable protection and comfort for demanding working conditions without compromising practical functionality.

Features

- High quality polyethylene material provides reliable protective barrier
- Blue colour offers clear visual identification
- Waterproof design defends against splashes and accidental exposure
- Dust and dirt resistant for maintained cleanliness
- Elastic wrist design improves fit and comfort
- Elastic arms provide added adjustability for user movement
- Disposable design facilitates simple, convenient single use
- Food safe construction supports hygienic practices in processing
