

## Description

Proval Lighttouch PP Breathable Sleeve Protectors are engineered with polypropylene and elastic rubber to deliver reliable sleeve covers with breathability and dust resistance. Designed in blue, these disposable covers are suitable for medical, food processing, fisheries, abattoirs, poultry works, food manufacturing, and cleaning applications. Featuring elastic wrist and arm fittings, they provide a secure, flexible barrier that enhances safety and efficiency for trade professionals while ensuring food-safe and clean room compatibility.

## Features

- Polypropylene and elastic rubber sleeve covers for robust protection
- Breathable design enhances comfort during prolonged wear
- Food safe materials support hygiene in processing environments
- Elastic wrist and arm openings ensure a secure, flexible fit
- Dust and dirt resistant design keeps covers cleaner longer
- Disposable sleeve covers offer a fresh protective option
- Blue finish provides clear product identification and style
- Engineered for practical protection and enhanced user comfort

**Product Code: DPPBSP**
