

## Description

Easyroll 19mm Round M10 Expanding Adaptors are round expanding adaptors manufactured using grey polypropylene and featuring an expanding pintle fitting designed for castor applications. They deliver a secure, round tube connection suitable for both indoor and outdoor use. The design ensures reliable performance and ease of assembly, offering trade professionals a practical, technically sound solution for their equipment integration needs.

## Features

- Durable polypropylene construction ensures reliable performance
- Grey finish provides a neat, unobtrusive appearance
- Expanding pintle design secures castor connection
- Suitable for both indoor and outdoor applications
- Round tube shape supports consistent load movement
- Simplified installation reduces downtime during maintenance
- Robust build withstands frequent use and handling
- Easyroll quality delivers dependable performance for long term use

**Product Code: E10R19**

## Specifications

Fitting Type	Expanding Pintle
Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Suitable For	Castor
Tube Shape	Round

## Appearance

Product Colour            Grey

## Construction

Product Material 1        Polypropylene

## Dimensions

Product Length (mm)	75
Mounting Size (G) mm	M10
Suits Tube ID (mm)	16
Suits Tube OD (mm)	19

## Weights

Product Weight (grams)	12
