

Description

Easyroll 27mm Square M10 Expanding Adaptors are designed for secure castor fitting in both indoor and outdoor settings. Made from robust polypropylene and finished in grey, these adaptors incorporate a square expanding design with an expanding pintle fitting. They offer a practical solution for repositioning castors in various technical applications, providing reliable performance and ease of installation for industrial and trade professionals.

Features

- Polypropylene material provides robust performance in demanding applications
- Square design improves compatibility with castor configurations
- Expanding pintle fitting ensures secure and reliable connection
- Grey finish offers a professional and unobtrusive appearance
- Suitable for indoor and outdoor use for versatile applications
- Engineered to meet operational demands with consistent performance
- Formulated for castor use with compatible square tubing
- Reliable solution designed for secure connections and easy handling

Product Code: E10S27

Specifications

Fitting Type	Expanding Pintle
Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Suitable For	Castor
Tube Shape	Square

Appearance

Product Colour Grey

Construction

Product Material 1 Polypropylene

Dimensions

Product Length (mm)	75
Mounting Size (G) mm	M10
Suits Tube ID (mm)	24
Suits Tube OD (mm)	27

Weights

Product Weight (grams)	22
